# Working FOR ISSUES THAT Matter

## Grow the Economy

by focusing on business growth, eliminating the BPOL tax, and streamlining the permitting process.

**Reform Taxes and Spending** with zero-based budgeting, holding government bureaucracy accountable, and putting the taxpayer first.

**Improve Quality of Life** by supporting new parks, fields, and the preservation of PWC natural and historic resources.

## Improve Transportation

infrastructure, focusing money on projects that will truly relieve congestion.

## Prioritize Education

by reducing class sizes and ensuring that money is spent in the classroom.

**Protect the Rural Crescent**, manage residential growth and reform proffers.
